

COVID-19 Update from Camp K9: Thank You!

April 4, 2020

Dear Supporters,

Like many of you, during the last few weeks as COVID-19/coronavirus has taken hold of our country, we've found ourselves with many questions amidst all the unknowns. We immediately sought ways to assess the situation as it developed and to adapt the best we could.

What we know to be true:

1. We still have dogs in the kennel depending on us for their livelihood.
2. We still have warriors relying on us to be their second family and help them during unprecedented times of forced isolation.
3. We are a nonprofit whose mission relies on a passionate, supportive network of other proud Americans who love rescue dogs and helping veterans.

Knowing that we had a strong support network, we rallied our troops - you! - and asked for extra support as the economic impact quickly affected our promise to shelter dogs and veterans suffering from PTSD.

As many great Americans do, you've gone above and beyond in answering the call!

You've opened our emails, stayed active with us on social media, purchased items from our online store (which directly support our program), created birthday fundraisers, chose us as your charity as you shopped on AmazonSmile, and donated directly to our program. For all of this, we could *never* thank you enough.

What we *can* - and will do - is keep showing exactly how your contributions help save the lives of shelter dogs and military heroes with PTSD who are at risk of suicide. We have drastically increased all communications with our current graduates to be sure they and their families are staying well. You will see testimony videos from some of those graduates upcoming in our social media. [Here's one story](#) our local news channel aired about one of those graduates.

That's one of the best advantages of following our social media and newsletters - no matter what, you will always see feel-good, inspirational stories from lives that **you helped save!**

Our president, Brett Simon, after whom K9s For Warriors was founded, recorded a special "Thank You" message you can watch below. From all of us at K9s For Warriors, thank you!

P.S. Like Brett mentions, you can get your "Daily Dose of Dog Training Tips & Pawsitive News" every day on our Facebook page live at 2 p.m. ET!
