K9S FOR WARRIORS

In Case You Missed It...

December's class brought us our 500th warrior-canine graduate team! From November to December, we went from 499 to 507 graduates in total. The class was pretty excited about it, too, presenting us with this gift at graduation. We congratulate all eight warriors on graduating with their new canine battle buddies!

Warrior Testimony

Warrior graduate Mindy posted an update recently that candidly depicts the power of a service dog to help heal and overcome:

"Tioga and I had the honor of representing

K9s For Warriors at a small event (100+ in D.C. today. He did great! I was excited and very anxious but the response we received was great. Tioga did his job and while I could feel the nausea coming on, it stayed contained and I was able to accomplish the mission.

I'm getting closer to regaining some of my strengths back. I am so happy! It's not easy, but oh is it worth it! Thank you momma Shari Duval and all our K9s Family!"

**Thank you for helping to give a new "leash" on life to rescue dogs and military heroes throughout 2018!
We hope you'll be part of the great things to come in 2019!**
