Reflections of a K9 Trainer

"I get flooded with emotions when we pair our trained dogs with our warriors for the first time. I'm sad to say bye to my friend. I'm

happy that I know I put in serious work to train a dog who was just in a shelter. And excited that now he's going to be a service dog to a veteran. I get emotional because as a veteran myself, I relate to fellow veterans and what they are going through."

- Alex, K9s Trainer, USN Veteran
