March 2019

In Case You Missed It...

On March 8th, International Women's Day, we launched our new PSA video featuring warrior Mindy and her loyal Service Dog, Tioga. We know you'll believe in the power of Service Dogs even more when you watch how Tioga helps Mindy function better as a member of the Air Force, and as her favorite role, a mother.

PSA: Mindy & Tioga

In The News

Dogs really are a man's best friend. Purdue University released its third research study on our program in the medical journal *Frontiers in Veterinary Science*. The key takeaway? The bond between service dogs and veterans is even stronger than the bond with our pets. Check out our local news coverage that elaborates on it featuring our own warrior trainer, Josh.

Training Update

March's class has been doing fantastic! This week they ventured to historic St. Augustine for their last day of training. Graduation is tomorrow, Thursday 3/21. You can watch it live on our Facebook page at 6 p.m. EST. Join us and leave a comment of encouragement for these warriors!
