Happy Holidays from K9s For Warriors!

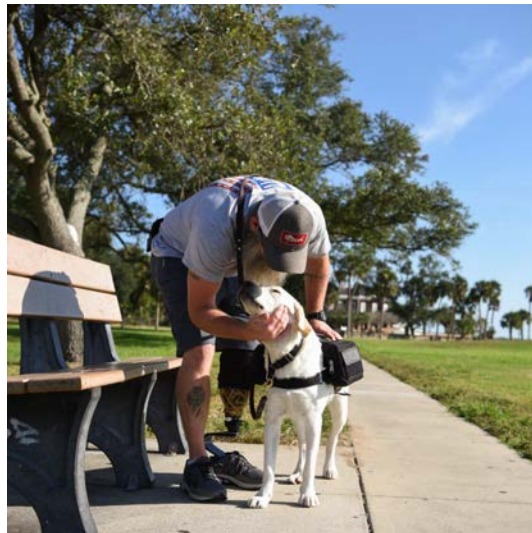

As we close out 2020, the most important message we have for you is Thank You.

Many of us all around the world struggled in some form this year. As a nonprofit, we relied heavily on you, our supporters, to help us help our Warriors and rescue dogs get through these trying times. Whether you donated, interacted with us on social media, or spread the word about our mission, we want to assure you of our deep gratitude.

And if you have donated to us, we want to hear from you! Please take 4 minutes to fill out our survey. Your feedback is critical to our mission and we greatly appreciate you taking the time.

Dog Tales

"Today is an extremely joyful, emotional day. On October 7, 2019 I made a decision that was going to change my life but I couldn't do this on my own no matter what I did or tried to do. On this day I was at K9s For Warriors training for a Service Dog. This was the last day I took meds for my PTSD, depression, anxiety, panic attacks, nightmares, pain pills, migraine pills, etc. I was on 23 meds a day. Some days it would be 24-26.

Yes, I was alive, but I wasn't living. The only medicine I take from a pill now is an allergy pill. I thank my family for not giving up on me. I thank K9s For Warriors and all the staff and people who donated and Bert's puppy raiser.

It's been one year, and I can say that I am alive and living - not just alive and breathing."
